PROFESSIONAL SUMMARY

Experienced videographer with a decade of expertise in producing high-quality video content that tells impactful stories. Proficient in using industry-standard software for editing and post-production, I excel in transforming concepts into visually stunning narratives. My collaborative approach fosters strong client relationships, ensuring projects are executed seamlessly from conception to delivery.

WORK EXPERIENCE

Videographer

Quantum Solutions LLC

📅 Mar / 2019–Ongoing

📍 Phoenix, AZ

1. Operate professional video cameras, ensuring optimal settings for focus, exposure, and lighting.
2. Utilize advanced editing software to produce polished video content for various platforms.
3. Collaborate with clients to understand project goals, ensuring alignment with their vision.
4. Coordinate logistics for video shoots, including location scouting and equipment setup.
5. Conduct thorough pre-production planning, including scriptwriting and storyboarding.
6. Maintain and troubleshoot video equipment to ensure seamless operation during shoots.
7. Deliver high-quality video content on schedule, meeting tight deadlines and client expectations.

Videographer

Cactus Creek Solutions

📅 Mar / 2015–Mar / 2019

📍 Phoenix, AZ

1. Documented research projects aboard a vessel, creating engaging video content for educational purposes.
2. Produced training videos for team members, enhancing onboarding and operational efficiency.
3. Set industry standards for videography internships, guiding future interns in best practices.
4. Advised on the selection of video equipment and editing software to enhance production quality.
5. Utilized photography skills to complement videography projects, creating cohesive visual narratives.
6. Secured 'Secret' security clearance, ensuring compliance with sensitive project requirements.

EDUCATION

Bachelor of Arts in Film Production

University of Southern California

📅 Mar / 2012–Mar / 2015

📍 Toronto, ON

Focused on cinematography, editing, and directing, with hands-on projects that developed my technical skills.
