PROFESSIONAL SUMMARY

Fashion Designer with experience supporting collection development, concept creation, garment construction, pattern making, fabric cutting, and collaborative design projects. Skilled in developing wearable, meaningful, and sustainable fashion concepts while contributing to regular collections and special projects in a fashion house environment. Strong aesthetic sense, attention to detail, and hands-on technical design foundation aligned with product development, fit, construction, and trend-driven fashion design.

CORE SKILLS

Fashion design • Collection design support • Sustainable fashion • Concept development • Pattern making • Fabric cutting • Sketching • Garment construction • Design research • Technical design fundamentals • Fashion merchandising • Collaborative design • Special project support • Administrative design support • Attention to detail • Fashion editorial interest

PROFESSIONAL EXPERIENCE

Junior Designer | Audora Fashion House

2017 to Present

- Assist the chief designer with major fashion design projects, supporting concept development and collection execution.
- Propose original designs and pieces for regular collections with a focus on wearable, commercially relevant fashion.
- Collaborate with in-house designers to refine concepts, sketches, construction details, and overall collection direction.
- Apply technical skills in pattern making, fabric cutting, sketching, and garment construction to support product development.
- Contribute to design workflows requiring creativity, attention to detail, and alignment with brand presentation standards.

Apprentice Designer | Audora Fashion House

2015 to 2016

- Assisted with fashion house design projects from early concept stages through design support activities.
- Collaborated with in-house designers on special projects, contributing design ideas and technical assistance.
- Supported garment development tasks using foundational skills in sketching, pattern making, fabric cutting, and construction.
- Handled administrative duties as assigned to help maintain organized design studio operations.
