PROFESSIONAL SUMMARY

Creative videographer and video editor with experience producing polished video content from concept through final delivery. Skilled in video editing, pre-production planning, scriptwriting, storyboarding, cinematography, audio mixing, client collaboration, and visual storytelling for digital platforms. Experienced in coordinating shoots, managing production logistics, operating professional video cameras, and delivering high-quality content on deadline.

EXPERIENCE

Videographer

Quantum Solutions LLC | Mar 2019 - Ongoing

- Operate professional video cameras and optimize focus, exposure, lighting, and shot composition for high-quality video production.
- Produce and edit high-quality video content for diverse platforms utilizing advanced video production software to enhance audience engagement.
- Collaborate with clients to understand creative goals and align final video deliverables with brand and project vision.
- Coordinate production logistics including location scouting, equipment setup, shoot planning, and on-site execution.
- Develop pre-production materials including scripts and storyboards to support clear, engaging visual narratives.
- Maintain and troubleshoot video equipment to support smooth production workflows and minimize downtime.
- Deliver high-quality video projects on schedule while meeting tight deadlines and client expectations.

Videographer

Cactus Creek Solutions | Mar 2015 - Mar 2019

- Created engaging educational video content by documenting research projects aboard a vessel.
- Produced internal training videos that supported onboarding, knowledge sharing, and operational efficiency.
- Guided videography interns on production workflows, equipment usage, and best practices.
- Advised on video equipment and editing software selection to improve overall production quality.
- Applied photography skills to strengthen visual consistency across video and multimedia projects.
- Maintained compliance with sensitive project requirements while holding Secret security clearance.

PROJECTS

200+ Video Production Portfolio

Produced more than 200 video projects focused on storytelling, brand visibility, audience engagement, and polished post-production delivery.

Training and Educational Video Content

Created training and educational videos designed to communicate information clearly, support onboarding, and improve viewer engagement.

EDUCATION

Bachelor of Arts in Film Production
University of Southern California | Mar 2012 - Mar 2015
